

The Court finds that with respect to the amounts approved for immediate payment set forth below, the time spent, services performed, hourly rates charged, and expenses incurred by the Receiver and his retained professionals during the time periods covered by the above-referenced Fee Application, were reasonable and necessary for the Receiver to perform his Court-ordered duties.

It is therefore **ORDERED** that:

The Motion for Order Approving Twelfth Application to Pay Fees Incurred By the Receiver for Quarter ending September 30, 2020 is **GRANTED** in all respects. The Court authorizes Receiver to make the following payments from the Receivership Estate: (1) \$79,642.50 to The Taylor Law Offices, P.C.; (2) \$22,654.20 to Goforth; (3) \$547.70 to PKF; and (4) \$12,603.30 to Veritas.

Signed this 16th day of December, 2020.
